Hygge Lounge

PRIVATE INDOOR AMENITY SPACE

The Bright Building's Hygge Lounge will provide you with room to work, unwind, and entertain. Finished with modern furniture, a library, a fireplace, entertaining tables, floor-to-ceiling windows, and exposed beams, this space will be sure to improve your sense of wholeness.

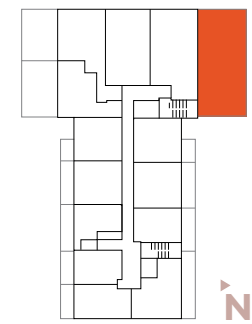

Floor 2

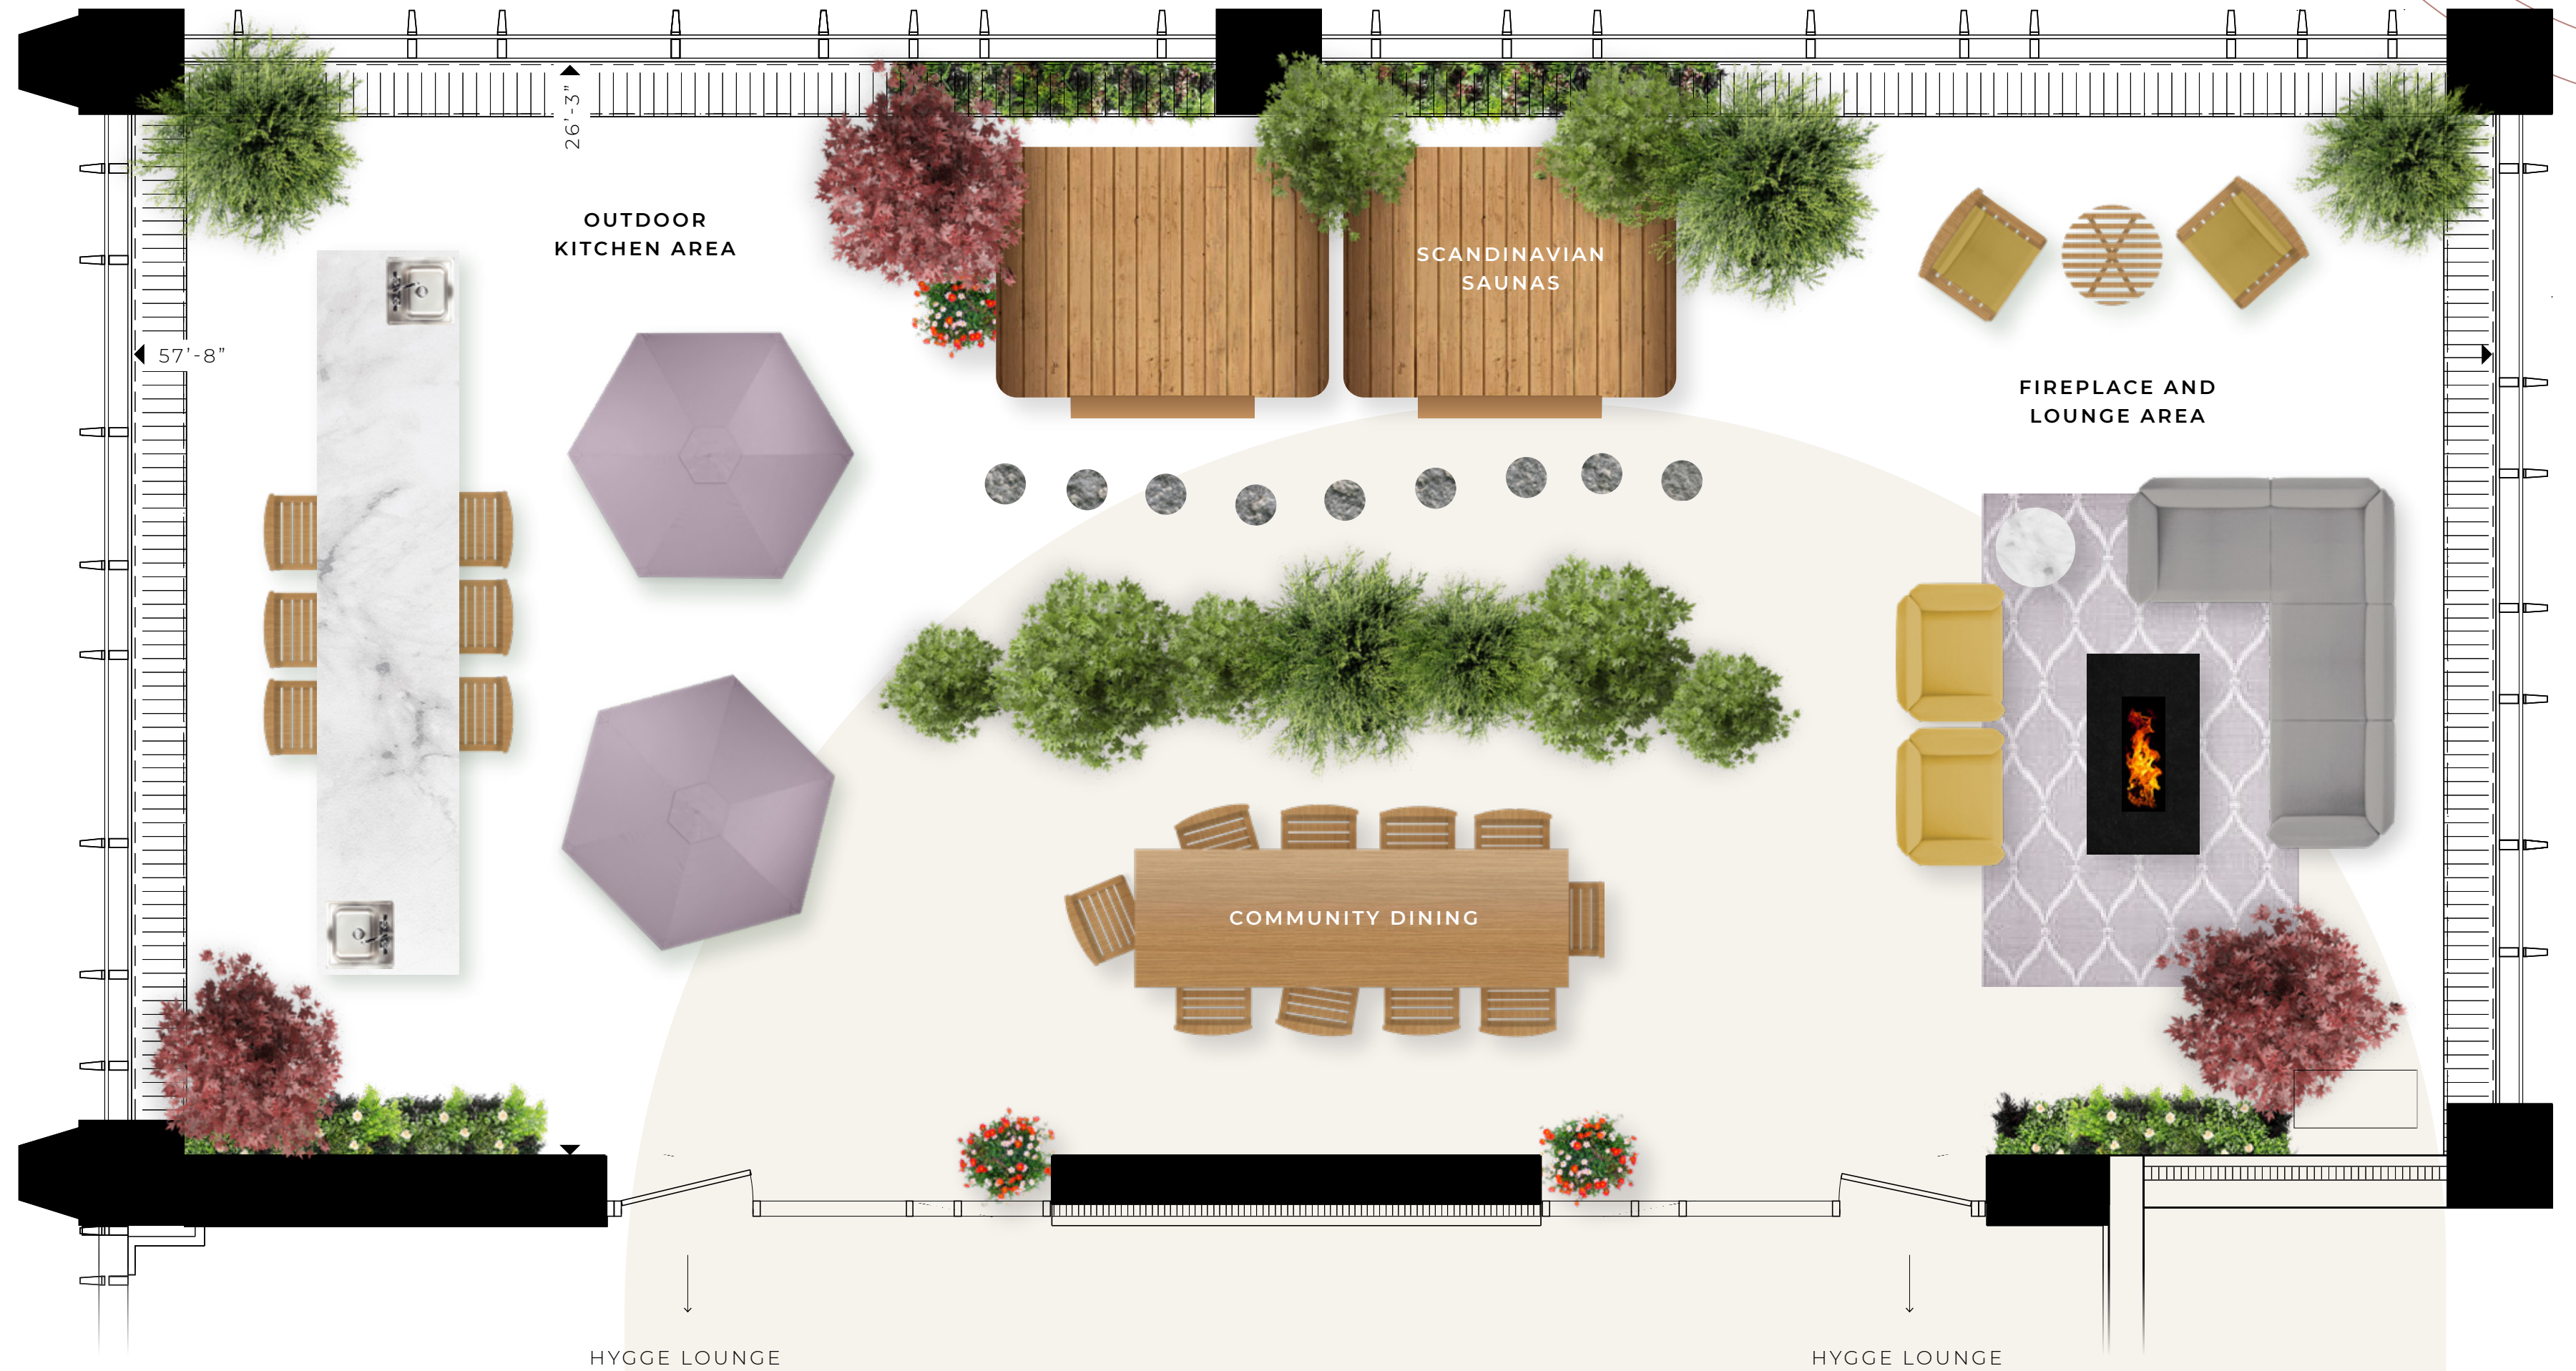

Outdoor Terrace

PRIVATE OUTDOOR AMENITY SPACE

Heavily focused on conscious living and sustainability, the Bright Building also aims to give its residents the ultimate in hygge living, outdoors. The Outdoor Terrace, open year-round, will be your go-to for any type of upcoming social gathering.

Floor 2

Base-level Lobby

COMMUNITY AMENITY SPACE

Community spaces that are built for community: sounds simple – but what does it mean to include your community in your building? Well, it means that everyone's needs are considered, and there are places for neighbours to come together, to share ideas, and to interact! These are spaces that build togetherness by prioritizing spaces intended for fellowship.
